

Y. HIMASRI SWARNA

AI Specialist & Software Engineer

Email: yellapuhimasriswarna@gmail.com | Phone: +91 8074325237

Location: Visakhapatnam, Andhra Pradesh, India

GitHub: github.com/Himasri-Swarna | LinkedIn: linkedin.com/in/himasriswarna

ACADEMIC TIMELINE

Vignan's Institute of Engineering for Women - B.Tech in CSE (Artificial Intelligence)

CGPA: 8.32 / 10.0 | Duration: 2023 - 2027

Core Focus: Machine Learning pipelines, NLP, REST APIs, Neural Networks, Database Administration

Sri Chaitanya Junior College - Intermediate Board (IPE)

Percentage: 93.8% | Passed in 2023

Kakatiya Public School - CBSE (10th Standard Matriculation)

Percentage: 88% | Passed in 2021

FEATURED PROJECT CASE STUDIES

1. JanVaani â AI-Powered Voice Assistant for Feature Phones

- Built callback system for rural users to query health directories and schemes without cellular internet.
- Reached the Finals at OpenAI Academy x NxtWave State-Level Buildathon.

2. AI-Powered Drug Discovery & Repurposing Platform

- Engineered machine learning pipelines using TensorFlow and DeepChem for drug similarity scoring.

3. Ola Application Redesign â UI/UX Case Study

- Redesigned driver-passenger matching and booking paths on Figma, reducing screen latency by 30%.

KEY CERTIFICATIONS & ACCOMPLISHMENTS

- Completed Google Cloud Generative AI Specialization (24 official Skill Badges)
- Qualified State-Level Buildathon of OpenAI Academy x NxtWave
- Google Solution Challenge 2025 Participant (SDG-focused, 2025)

CORE TECHNICAL MATRIX

Languages & Paradigms: Python, Java, C, C++, React, JavaScript, HTML5/CSS3

Databases & Cloud: MySQL, Node.js (Express), Git & Version Control, Google Cloud Platform
